Guizers Hop to follow

This years Guizer Jarl, Colin Nicholson (Kol Kalason), has been a regular Guizer since he was at primary school. He comes from a family of Up Helly Aa supporters, his father Dan'el was Jarl in 1972, his brother Neil was Chief Guizer in 1992 and his uncle Alex, Jarl in 1967, has been secretary to the Up Helly Aa committe for 30 years.

Jarl Nicholson's portrayal of Kol Kalason is very appropriate, building is their common bond. Kalason was an important cheiftain, landowner and statesman in Norway in the 12th century. He helped his son, Rognvald, to become Earl of Orkney and through Rognvald he was responsible for the building of St Magnus cathedral. St Magnus was his uncle.

Other members of Colin's squad are: ex Jarl Brian Nicolson (Svein Asleifersen), Kevin Sutherland, a newcomer to our festival and colin's brother-in-law to be. Brother Neil, Jarl elect David Henry and Hubert Dickie the 1977 Jarl again appearing in the Jarl Squad.
