Saturday 27 February
Variety Concert in the Cullivoe Hall starting at

It is Guizer Jarl Brian Thomson, alias Sigmund Bresterson that Skippers the longship Nord Stjern in the 1999 festival. Brian is young in years but old in Up Helly Aa experience. Brian has displayed great courage and determination in the aftermath of a serious accident. He is a popular and able Jarl and only the second to come out of Sellafirth.

Robert, brother of the Jarl is at his right hand. Robert has been more of a back room boy than a Guizer in recent years but he is the Guizer Jarl elect and he will be the Chief Guizer in the millennium year.

The most junior Guizer of all is from the same family. Nephew of the Thomson brothers, Michael Collins is four years old and lives in Glasgow. Who knows, maybe some year in the future he may follow in the family tradition.

At the Jarls left hand is his predecessor David Henry, Solmund Sigurdson. David and Brian are cousins.

Trevor Henderson, Brusi Sigurdson, Jarl in 1995, is also well to the fore.

New to the senior outfit are the two George's from the Fealzie squad, Messrs Henry and Hamilton. The 1999 festival will serve to give them the experience they need if either of them ever steps up to the top job.

Lawrence Tulloch, Jarl in 1980, is the old man of the team, making his 6th. appearance in the Jarl squad.
