## A Word from Guizer Jarl Laurence Odie / Balder Odinson

"I first learned about Cullivoe up Helly Aa at the Mid Yell School and with the help of my mother made the following poem:

*I lik tae go tae Cullivoe and see Up Helly Aa,  
It really is a lovely night and much enjoyed by all.  
The torch light procession is a wonderful site,  
The guizers following the galley hooing we aa dir might.*

*Three cheers are roared at da burning site,  
Dae bell aa da torches in and set her alight.  
Dan de go tae da Hall da dancing dae begin,  
Dae keep it up we a dir might tae daylight it comes in.*

The first time I was at Cullivoe Up Helly Aa was in 1969, it was a snowy day. I remember well the procession arriving at the hall in the snow and the bonfire burning at the north side of the hall lighting up the galley in the snow shower and a few of us sheltering at the gable of the hall. Robert Henderson was Jarl and we enjoyed our night, but the snow showers increased, the roads blocked and our hired dormobile never made it North to fetch us. I think people stayed at different houses in Cullivoe that night, but a lot of us stayed at Greenbank. We were collected and taken there in the grocery van driven, I think, by Magnie Henderson. There were beds for some while others like me spent the night sitting in chairs. We got refreshments and breakfast, our driver borrowed a Land Rover and fetched us the following afternoon.

Since my first night the only years I've missed the event was when our boys were young, at that time we used to do the Hop night. I have been in different squads, the most memorable being the 'Mr Yell Contest' and as the 'Windhouse Ghosts'. I have been mostly in the audience in the hall. For a long time until recently, I would be in the bar on the Hop night. My three sons and daughter have participated in squads for many years.

Since the social afternoon started in Burravoe in Raymond Henderson's year (2007) I have been involved, and this has now become a part of the weekend festivities. As with all parts of Up Helly Aa a lot of hard work done by many volunteers makes this event successful. I have enjoyed my past two years in the Jarl Squad, first with John Saunders then Mark Lawson, this year has been great so far and I am looking forward to this big weekend. I wish all guizers, workers and spectators a great weekend and thank everyone who contributed to the event.

After the squad tolerating overgrown hair and beards for the past months, we are raising money for the charities closest to my heart – local education and health care. All money raised will be split between the three local schools, Islehavn and Health Centre funds."

## JARL SQUAD INTRODUCTIONS

**Guizer Jarl Laurence Odie:** The chair of Yell Community Council takes the reins of the fire festival this year - with two years experience of the Jarl Squad he is well-prepared for the task!

**Jarl-Elect James Nicholson:** Making his second appearance in the Jarl Squad, James is looking forward to 2019 when he takes the hot seat. He has been a great asset to the team.

**Former Jarl Mark Lawson:** Last year's chief Viking, this is Mark's fourth appearance in the Jarl Squad. He has passed on plenty of his knowledge and experience.

**John Odie:** The Jarl's eldest son, with experience in both Cullivoe and Nesting squads. John has proven his Viking mettle by rowing from Shetland to Norway.

**Kevin Odie:** The Jarl's second son, Kevin has been in the Nesting Jarl Squad on two occasions. His manufacturing skills and attention to detail are of great benefit to the squad.

**Mark Odie:** The Jarl's youngest son, Mark accompanied Peter in the Nesting Jarl Squad. Another great asset with his new roping and leather work skills.

**Robert Jamieson:** Guizer Jarl in 1981 and a regular feature in squads, Robert has driven at Up Helly Aa festivals across Shetland. He has lots of experience and good navigation skills.

**Gordon Keith:** Born and bred in Yell, it is Gordon's debut in the Jarl Squad. His woodwork and creative skills have proved invaluable.

**Frank Tulloch:** Another debut appearance in the Cullivoe squad, but Frank has experience from Nesting. His heated garage in Bixter has proved to be an excellent second Galley Shed.

**Peter Anderson:** Peter has many years experience of the Nesting festival, where he served as Guizer Jarl in 2008. He was part of Raymond's Cullivoe squad in 2007.

**Kevin Tulloch:** An experienced pair of hands at the Galley Shed, Kevin has been building galleys most of his life. He has appeared in the Jarl Squad on a number of occasions, taking the top job in 2003.

**Raymond Henderson:** Another former Jarl with years of experience in the squad, Raymond helps with most jobs and is never frightened to try something new.

**Joe Scollay:** The Jarl's cousin, and the farthest-travelled member of the squad, Joe was born in Cushendall, Ireland. His grandfather was brought up in Burravoe and sailed the high seas.

**Lorraine Odie:** The Jarl's daughter will be looking after the medical needs of the squad should anyone be injured in battle (or drink too much Fireball).

**Lisa Odie:** No stranger to Cullivoe, the Jarl's niece Lisa will keep everyone in order and make sure we get our sums correct.

### **Junior Members**

**Dylan Odie:** The Jarl's oldest grandson, Dylan sings the Up Helly Aa song like an old hand.

**Lewis Odie:** The Jarl's second grandson has had lots of practice marching with the torches.

**Connor Odie:** The Jarl's third grandson is excited about this new venture.

**Bobby Odie:** The Jarl's youngest grandson, Bobby has not quite got his sea legs under him.

**Hansen Tulloch:** Making his second appearance in the Jarl Squad, Hansen is already building up experience.

**Lewis Tulloch:** A Cullivoe man through and through, Lewis is looking forward to this year's event.

**Nicholas Tulloch:** Quite a live wire, Nicholas will keep us on our toes.

### **Musicians**

Entertaining the Jarl Squad this year are:

**Gary Brown, Alistair Tulloch, Iain Williamson and Eric Williamson.**

## A Burravoe Up Helly Aa?

Our Chief Guizer hails from Burravoe this year, but it's a little known fact that Burravoe once held an Up Helly Aa festival, prior to the formation of the Cullivoe Up Helly Aa. The event ran for a few years, and gradually became more of a children's event before coming to an end. We would like to learn more about the Burravoe Up Helly Aa - if you have any information or photographs please drop us a line at [cullivoeuphellyaa@yahoo.co.uk](mailto:cullivoeuphellyaa@yahoo.co.uk).

## BALDER, SON OF ODIN

***Guizer Jarl Laurence Odie tells us a bit about the alter ego he has chosen to portray, and why he was the obvious choice:***

"When I was a bairn, I remember Professor Donaldson (a local, born in Hamnavoe) telling me that the name Odie originated from Odinson (son of Odin). When you Google the name Odie, it says it originates from Saxon times, from Wodenson. In Germanic times Woden was the name given to Odin. So, one way or the other it appears that the origins of our family name comes from Odin.

I have decided to represent one of Odin's sons, Balder, whose mother was Frigg. Balder was known as the bright one, who liked peace rather than war. He was a god of truth and light. Balder was also knowledgeable in healing herbs and runes, which made him a favourite among the people of Midgard.

Balder's wife was Nanna, daughter of Gewar, King of Norway. They had a son called Forsetti. Balder had the greatest ship ever built, called *Hringhorni*, and it is said there is no place more beautiful than his hall, Bredablik.

I however have chosen to call our galley *Sleepner*, the name of Odin's horse (the eight-legged steed upon which he travelled the world).

We have chosen the three horns of Odin as our emblem. This symbol consists of three interlocking drinking horns. The horns feature in the mythological stories of Odin, and are recalled in traditional Norse toasting rituals. Most stories involve the god's quest for the Odhroerir, a magical mead brewed from the blood of the wise god Kvasir. The tales vary, but typically Odin uses his wits and magic to procure the brew over three days, the three horns reflect the three draughts of the magical mead."

## **The Up Helly Aa Song**

**(first verse & chorus)**

**From grand old Viking centuries Up-Helly-Aa has come,  
Then light the torch and form the march, and sound the rolling drum:  
And wake the mighty memories of heroes that are dumb;  
The waves are rolling on.**

### **CHORUS:**

**Grand old Vikings ruled upon the ocean vast,  
Their brave battle-songs still thunder on the blast;  
Their wild war-cry comes a-ringing from the past;  
We answer it "A-hoy!"  
Roll their glory down the ages,  
Sons of warriors and sages,  
When the fight for freedom rages,  
Be bold and strong as they!**

*(Words by J.J. Haldane Burgess)*

*(Music by Thomas Manson)*

## **The Galley Song**

**(first two verses)**

**Floats the raven banner o'er us,  
Round our Dragon Ship we stand,  
Voices joined in gladsome chorus,  
Raised aloft the flaming brand.  
Voices joined in gladsome chorus,  
Raised aloft the flaming brand.**

**Every guizer has a duty,  
When he joins the festive throng,  
Honour freedom, love and beauty,  
In the feast, the dance, the song.  
Honour freedom, love and beauty,  
In the feast, the dance, the song.**
